## What are cookies?

Cookies and similar technologies are very small text documents or pieces of code that often contain a unique identification code. When you visit a website or use a mobile application, a computer asks your computer or mobile device for permission to save this file on your computer or mobile device and gain access to information. Information collected through cookies and similar technologies may include the date and time of the visit and how you use a particular website or mobile application.

## Why do we use cookies

Cookies make sure that during your visit of our online shop you remain logged in, all items remain stored in your shopping cart, you can shop safely and the website keeps running smoothly. The cookies also ensure that we can see how our website is used and how we can improve it. Furthermore, depending on your preferences our own cookies may be used to present you with targeted advertisements that match your personal interests.
